Dear ROSIE SHEN:

Re: Notice of Criminal Record Check Results
IVAN YEW HAN BOH (Year of Birth: 1976)

On September 21, 2023, the Criminal Records Review Program conducted a criminal record check for the above noted applicant. The criminal record search is limited to the relevant offences listed in the *Criminal Records Review Act* on the date the check was done. No criminal record was found for the purpose of working with children.

This clearance letter will expire on September 21, 2028, and a new clearance process will need to be initiated prior to that date if the above-named applicant is to continue working with children beyond that.

Please note that the applicant is required to report any future charges or convictions for criminal offences to you, and, should this occur, provide a new authorization for a criminal record check.

Thank you for your co-operation.

Yours truly,

Cassandra Graber,
Registrar, Criminal Records Review Act
Ministry of Public Safety & Solicitor General
