CMTCA accreditation is the industry standard for quality in massage education throughout Canada. Vicars School is the only private career college in Alberta to offer a fully accredited massage therapy diploma program. The program ensures graduates meet or exceed the required entry-to-practice competencies and performance indicators to become Registered Massage Therapists (RMTs) in these jurisdictions. As a result, graduates are eligible to take registration examinations in the regulated provinces (British Columbia, Ontario, Newfoundland

and Labrador, New Brunswick, and Prince Edward Island) in addition to being ready to work in Alberta and other non-regulated provinces.

Please feel free to call or email if you have any further questions.

Best regards,
